**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our family chose a competitive brand in order to support a local business, and their employees and by extension families. Broadband is critical to our home as we work remotely. We have fiber today and previously had DSL. It was awful. We also have a competitive telephone service. There are already limited choices and think legislation should be increased to promote competition not to remove or deter it and by that consumers from having choices. Families are already paying high prices for services. Please do not increase the cost!
